

# Kids R Us

## **BREAKFAST CLUB**

If you are not already familiar with us, Kids R us is a successful out of school club providing quality play care for children aged 4 – 12. We are situated in the Annexe building at Milton Community Centre. All our staff are qualified play workers; we are registered with OFSTED and proud to be affiliated with Milton Primary School. We are pleased to announce that we will be expanding our provision from **September 4<sup>th</sup> 2007**.

Breakfast is widely recognised by health and education professionals as being very important for children to help prepare them for the day ahead. Breakfast clubs are seen as a way of not only providing a healthy meal to start the day but also providing social, health and education elements. Also as we will be escorting the children to school each morning attendance at the club will also help encourage children to arrive at school on time.

We would like to share the aims of our Breakfast club with you;

- To increase the number of children eating breakfast regularly.
- To provide a stimulating and safe environment for children to have breakfast.
- Improvement of educational attainment.
- Raised awareness of the importance of a healthy breakfast and teeth brushing.
- Introduction to the importance of food hygiene.
- Quality childcare provision before school for parents at work or in training.
- Promotion of social inclusion by providing breakfast for the most vulnerable children.

For breakfast we will be offering a selection of cereals, toast and a variety of spreads e.g. jam and marmalade, milk, water and fruit juice. Fresh fruit is also available. We hope to encourage children to be independent in choosing and serving themselves, although our staff will be there to offer help where it is needed. We will also be providing a range of games and activities for your child to use before school starts. If there is anything special that your child enjoys doing, please let us know. We want your child to have fun whilst they are with us!

The club will open at 7.30am each day and at 8.30am our staff will escort the children to school in order to hand them over into the care of the class teacher by 8.50am. The cost will be £4.50 per session, payable monthly in advance.

If you require further information or a booking form please feel free to come and see us any afternoon between 4-6 pm in the Annexe building or contact:
